Library Newsletter

Fall 2017 (2.1)

More and more library updates

Greetings IRUS Students, Faculty, and Staff,

Welcome to a new school year! It's been one year since I have been with IRUS and much has changed. For those of you who don't know, the library has been long without a librarian for quite a while. Since I started, I have created an online catalog (searchable in both English and Korean), undergone ABHE accreditation, increased the number of access points online, and started reigning in the physical library collection. Here's a quick recap:

Online Resources

In addition to the online **library catalog**, the library is also subscribed to **DBpia** database. There is also a library module in **Moodle** along with a **Wordpress** library guide.

Book Sale

I had announced a forthcoming book sale in the previous newsletter. It is now finally happening! Books will be available to purchase for \$1 (\$2 for hard covers). Afterwards, they will be donated to other organizations. Make sure to pay attention to your emails and bring plenty of boxes/bags.

How Can We Do Better?

In the last year, there is much that I have learned from the IRUS community but there is still much more to do. Let me know if there's something on your mind, if you need help looking for a resource, or if there's just something that's concerning you, let me know! You can email me at library@irus.edu

Sincerely,
Hannah Lee
